RE: Home Mission/Disaster Relief

To GMBC of Georgia, Inc.

First, I thank my God for you all and must say what a wonder 150th Annual Session it was, though virtual everything fell in place. The current administration should be commended for the way in which it was carried out virtually but spiritually.

As I reflect on this year 2020, I am compelled to continue to say that God is a sovereign ubiquitous God in spite of what we have faced. COVID 19 has taken over 245,000 lives and infected over 10,750,000 and the numbers are rising steadily in the United States alone. Though we are in a pandemic, we cannot forget our brothers and sisters in the Gulf Coast area who have been emendated with seven named hurricanes this year alone, not including seven Tropical storms.

Therefore, as they continue to try and rebuild their lives and places to call home, they continue to need our help. GMBC of Georgia, Inc. has been actively assisting since the beginning of these disasters.

Now that our Convention's Annual Session is over, I want to appeal for you to help our neighboring states by contributing to Headquarters so that we can purchase the tarps, food, water, everyday essentials (soap, deodorant, women's product, toothbrushes and toothpaste, mops, disinfectants and gift cards for medication etc.). **I acknowledge that water is the most convenient thing to purchase, but we can purchase water once we arrive at the affected area.** It cost more to transport water than it does to purchase it. **Please do not send any used clothes they have enough clothes.** The best way to help is to send contributions to Headquarters and we can purchase what is needed with our partners like Dollar Tree, Walmart, Lowe's, Home Depot and others to be picked up and delivered to the region in which the devastation took place.

They will need our assistance for a long time and we want to be able to continue to assist with your help. I want to say thank you to the many fine Pastors and members of this great convention who always answer the call when our neighboring states are affected by some form of catastrophe.

I am humbled to have been added to the Southeast Home Mission NBC, USA. and VOAD partner and I will always represent GMBC of Georgia, Inc. as long as I hold this position and beyond. I want to thank current President Dr. Kenneth B. Martin for his shared passion to assist the least the last and the lost. Again, may God bless each of you as we continue to be a blessing to those dealing with disasters.

Please send all donations to GMBC of Georgia, Inc., P. O. Box 92340, Atlanta, Georgia 30314.

Humbly,

Timothy D. French
