Greetings Pastors, Ministers, Moderators and Church Members,

Re: U.S. Senate Georgia Run-Off, January 5, 2021

There is still critical work to be done in Georgia. Georgians can help expand access to healthcare and build an economic recovery that will work for everyone.

We must elect Raphael Warnock and Jon Ossoff in the Senate Run-off election on January 5, 2021. They have been on the frontlines fighting for working people in Georgia for years and the same energy will be brought to the U. S. Senate.

Daniel Blackmon, Democrat for Georgia Public Commission is also in the Run-off, let us show our support for him also.

You can request your absentee ballot at: https://ballotrequest.sos.ga.gov or “Vote” early beginning December 14, 2020.

Remember every vote counts; we must mobilize our people encouraging everyone to the polls and “VOTE”.

Attached is a letter from Conference of National Black Churches and Nation Action Network including additional information that will helpful getting the word out to everyone.

Yours because of Calvary,

Anthony Q. Corbett, Sr.
