Greetings GMBC Pastors,

We are pleased, on behalf of the National Association of Real Estate Brokers (NAREB) and our Faith Based & Community Partnerships initiative to invite you to a breakfast meeting on **Thursday, May 24, 2018, 10:00am-12:00am** at Changing A Generation Ministries. The invitation-only gathering brings together faith-based and community leaders to learn and become involved in NAREB's efforts to increase Black homeownership. This lays the groundwork for personal and family wealth building which leads to the financial stabilization of our communities.

NAREB was established in 1947 to secure the right to equal housing opportunities regardless of race, creed or color, and at the same time promote access to business opportunity for Black real estate professionals. While there have been many successes along our more than seven-decade journey, Black homeownership continues to lag other ethnic groups. **Right now, data shows that the homeownership rate for Black Americans has slipped to its lowest point – 42% in comparison to the White homeownership rate of 72%.** The highest homeownership for Black Americans occurred in 2004 when it reached a little over 49%.

We hope that your schedule will permit you to join us and share your thoughts and knowledge about your community. At the same time, NAREB will share plans to host a one-day, cost-free **Community Wealth Building Day** which is part of NAREB's national grassroots **2 Million New Black Homeowners (2Mn5)** movement to help Black Americans understand the true value of homeownership, grasp the mortgage lending process, and the pathway away from being a renter to **becoming an owner. Your participation is very important.** Please let us know of your availability and plans to be with us by contacting My Executive Assistant, Jannalynn Davis at 404-284-8865 or by email at jbreaux@cagmin.org, or **GMBC Director Dr. Brenda Eason at 404-688-4212 EXT 225, email at beason@gmbcofgeorgia.org**

Thank you for your consideration and we look forward to seeing you on **Thursday, May 24, 2018.**

Sincerely,

Bishop Paul S. Morton

MILLION

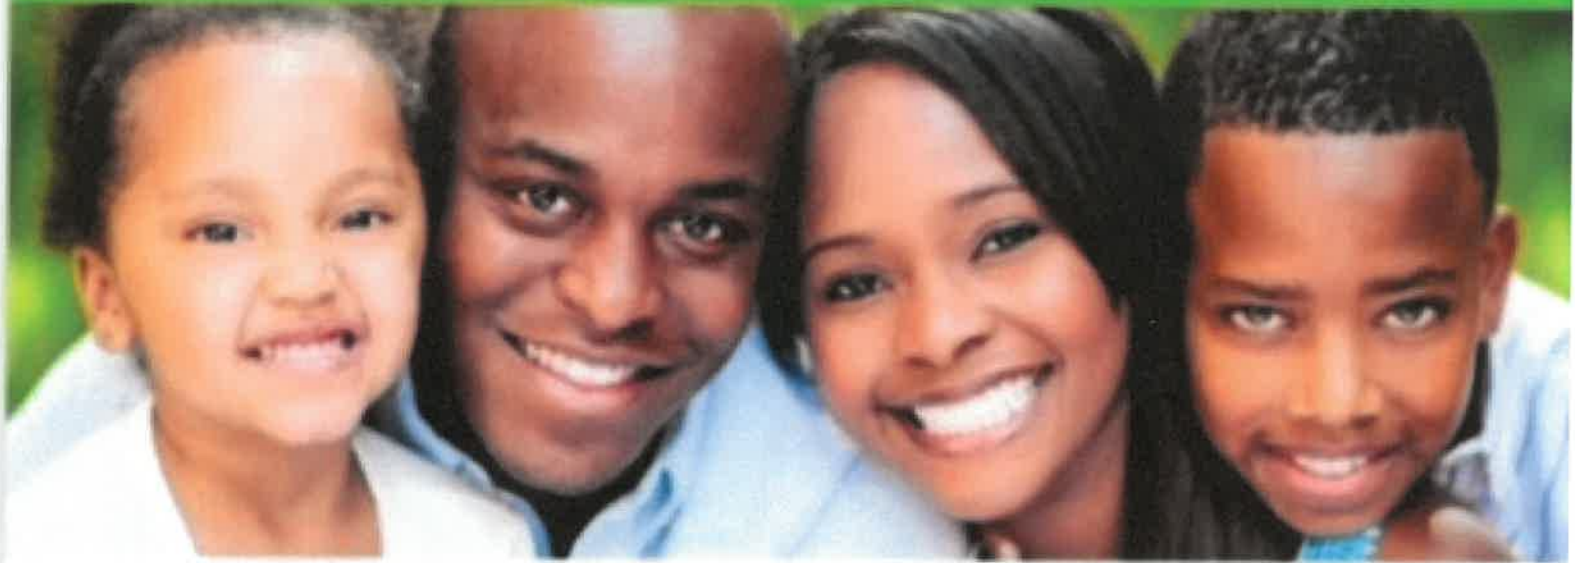

NAREB believes and is working with our partners, community-by-community to show Black Americans how to build wealth through homeownership.

It's a fact... Black homeownership stands at its lowest point in decades and continues to lag all other ethnic groups. Right now, our homeownership rate has slipped to 42%. The highest Black homeownership rate occurred in 2004 when it reached a little over 49%.

Join Us... Learn about NAREB's plans for a free Community Wealth Building Day in Atlanta to help residents learn about homeownership from experts and what it takes to become an owner.

As a Faith-Based leader, you are invited to attend and learn why it is important for you and your congregation to be a part of the 2 Million New Black Homeowners in 5 Years Movement!
