MemoTo: Supporters of Foreign Mission Program  
Subject Haiti Relief

Dear Supporter:

Hurricane Matthew has hit Haiti with great devastation, leaving our mission in an urgent state of emergency. Roads leading to the mission have been washed away, residents have lost their homes and all means of food and income. The only means of support the residents in Tapio have is our mission. Over 500 residents are cramped into the compound with little to no means of support.

I am personally asking for membership churches and individuals to immediately respond with a generous donation. President Martin has approved the plan to raise \$50,000.00 to go toward this emergency effort.

So please respond immediately by sending donations to the Baptist Headquarters, designating your donations as Haiti Relief Fund. You can also download Givelify "at the App Store on your smartphone" at [www.givelify.com](http://www.givelify.com); **type:** General Missionary Baptist Convention of Georgia; **adding location,** Atlanta, GA, **select** your contribution amount, the drop down menu will appear then select Foreign Mission (Haiti) or go to our website contributing via PayPal with your credit card.

For more information, call the Lizzie Chapel Baptist Church at 478-746-0422.

The mailing address to the convention is:

GMBC  
P.O. Box 92340  
Atlanta, GA 30314

Yours in His Service,
